ABID HUSSAIN

FULL-STACK WEBSITE DEVELOPER

karachi, Pakistan. • 03255661611 • 010abidhussain@gmail.com • linkedin.com/in/abidhussainsoftware

PROFILE

Full-stack developer working across the MERN stack and TypeScript, with three production-deployed applications spanning e-commerce, legal case management, and personal portfolio work. Comfortable owning a feature end-to-end — data model, REST API, and responsive UI. Currently building toward AI-tooling and product-design work alongside core web development.

SKILLS

Frontend: React.js, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, TailwindCSS

Backtend: Node.js, Express.js, REST API design

Databases: MongoDB, PostgreSQL, Firebase, Supabase

Tools & Other: Git/GitHub, Vercel, Qdrant, cloudinary

EXPERIENCE

Full-Stack Web Development Intern — 2026

Teyzix Core Pvt. Ltd.

- Completed a hands-on internship in full-stack web development, contributing to real-world team projects.
- Applied core stack skills — React.js, Node.js/Express.js, and REST API development — in a live development environment.

PROJECTS

Zivora — Abaya E-Commerce Platform **Link:** https://zivora-abaya.vercel.app/

- Built a full e-commerce PWA for a Pakistani modest-fashion brand, covering product catalog, cart, and checkout flows.
- Implemented responsive layouts tuned for mobile-first shopping behavior, the dominant traffic pattern for the target market.

Legal Case Management System **Link:** https://attorney-platform.vercel.app/

- Designed a case-tracking platform for legal practices, with modules for client records, document storage, and case status workflows.
- Built the data model and REST API layer to support secure, structured access to case information.

EDUCATION & TRAINING

FULL-STACK WEB DEVELOPMENT PROGRAM — 2025 - 2026

Saylani Mass IT Training Program (SMIT)

Specialized in building high-performance applications using React.js and Next.js.
Mastered server-side programming with Node.js, Express.js, and RESTful API architectures.

DIPLOMA IN INFORMATION TECHNOLOGY

Memon Industrial & Technical Institute (MITI) **2023 – 2026**

Core coursework in software programming, relational database design, and modern web development architecture.
